The Trustee may be changed at any time and from time to time by the Association by means of written instrument executed by the President or any Vice-President of the Association and filed for record in the Real Property Records of Bexar County, Texas. In the event of non-payment by any Owner of any Maintenance Charge or other charge or assessment levied hereunder, the Association may, in addition to foreclosing the lien and exercising the remedies provided, upon ten (10) days prior written notice to such non-paying Owner, exercise all other rights and remedies available at law or in equity.

It is the intent of the provisions of this Section 7.5 to comply with the provisions of Section 51.002 of the Texas Property Code relating to non-judicial sales by power of sale and, in the event of the amendment of Section 51.002 of the Texas Property code hereafter, the President or any Vice-President of the Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration file in the Real Property Records of Bexar County, Texas, amend the provisions hereof so as to comply with said amendments to Section 51.002 of the Texas Property Code.

7.7 Liens Subordinate to Mortgages. The lien described in this Article VII shall be

deemed subordinate to a first lien or other liens of any bank, insurance company, savings and loan association, university, pension and profit sharing trusts or plans, or any other third party lender, including Developer, which may have heretofore or may hereafter lend money in good faith for the purchase or improvement of any Lot and any renewal, extension, rearrangement or refinancing thereof. Each such mortgagee of a mortgage encumbering a Lot who obtains title to such Lot pursuant to the remedies provided in the deed of trust or mortgage or by judicial foreclosure shall take title to the Lot free and clear of any claims for unpaid Maintenance Charges or other charges of assessments against such Lot which accrued prior to the time such holder acquired title to such Lot. No such sale or transfer shall relieve such holder from liability for any Maintenance Charge or other charges or assessments thereafter becoming due or from the lien thereof. Any other sale or transfer of a Lot shall not affect the Association's lien for Maintenance Charges or other charges or assessments. The Association shall make a good faith effort to give each such mortgagee sixty (60) days advance written notice of the Association's proposed foreclosure of lien described in Section 7.5 hereof, which notice shall be sent the nearest office of such mortgagee by prepaid United States registered or Certified mail, return receipt requested, and shall contain a statement of delinquent Maintenance Charges or other charges or assessments upon which the proposed action is based provided, however, the Association's failure to give such notice shall not impair or invalidate any foreclosure conducted by the Association pursuant to the provisions of this Article VII.
